

Quality criteria for the assessment of the applications

www.grundtvig.org.uk/

Please make sure that you address the following quality criteria in your application:

1. Content and duration

The training course is clearly presented; its duration is realistic and appropriate and related to the applicant's professional activity.

2. Impact and relevance

There is a clear match between the training course selected and the applicant's training needs. The training activity can be expected to have a positive impact on the professional development of the applicant and on their organisation / learners. It is also clear how the applicant intends to incorporate the results of the training into their role as an adult educator with a clear and realistic plan to disseminate the results of the training course.

3. European added value

The training course will have a greater potential value than similar training in the UK and will contribute to increasing the European dimension of the applicant's organisation. The applicant intends to use the Europass Tools (not obligatory)
